**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I have subscribed to several different internet service providers in the past and want to continue having a choice on who my internet service provider is. I believe a competitive market ensures that consumers will have access to better prices. Incumbent carriers want to change that, and limit my access to choose the best possible service at the best possible price.

I live in an area where fiber optic service is limited so I rely on a reliable broadband service.
